Portland, OR 97203 

## Career Objective

Dedicated professional with proven performance in management, leadership and communication. Detail-oriented in problem-solving and planning. Ready to make an immediate contribution to your organization.

## Experience

### SOFTWARE DEVELOPER INTERN

Apr 2022 - Sep 2022

PROSPER IT CONSULTING — Portland, OR

- As an intern at Prosper IT Consulting I worked on two live projects. One project creating a website called "Snow Report", that allows a user to find the snow report for their favorite ski resort and keep track of their favorite ski trail routes. This project utilized HTML/CSS, Python, Django, and Beautiful Soup. The second live project I worked on was for a local theatre's website. We used C#/.NET/MVC along with JS, CSS, and CSHTML. On this project I helped create a database for the company's rental department. It allows an employee to create, edit, and delete rental equipment information.

### POST PRODUCTION MANAGER

Feb 2020 - Mar 2022

C3 INDUSTRIES — Portland, OR

- Created and distributed daily and weekly schedules to identify tasks with key deadlines. Devised solutions for technical concerns, needs, budgets and processes to meet deadlines and budgets without compromising quality of project. Created and maintained department files on labor production and KPI reports, using Microsoft Excel. Cut production costs in half with organizing and scheduling. Collaborated with 10-16 person production team to provide ongoing management support and leadership to achieve creative vision

### SOUND ENGINEER

Mar 2016 - Jun 2019

SONUSMAN — Portland, OR

- Controlled microphones, sound levels and outputs to produce high-quality tracks for variety of clients. Transformed video and audio recordings into digital formats for editing and archiving. Created tasteful acoustical mixes in venues ranging from 50 to 1000 in capacity.

### TOUR GUIDE

Jul 2014 - Mar 2016

SAN FRANCISCO SEGWAY TOURS - ELECTRIC TOUR COMPANY — San Francisco, CA

- Contributed to excellent reviews on Trip Advisor and Yelp, increasing revenue by 50%. Entertained tour guests with various props and signs for maximum engagement, fun, and lasting memories. Drew attention to obstacles, bad lighting, and steps to keep customers safe on tours. Built personal relationships with guests to promote positive experiences
